In 2007 Bankstown City Council engaged Sturt Noble Associates to review, revise and update the Bankstown Memorial Park and City Gardens Plan of Management, 1999. This included the preparation of a revised Master Plan.

The entire site is over 7 hectares and incorporates Memorial Oval, Bankstown City Gardens and the Memorial Park Outer Ground including Grahame Thomas Oval.

The revised Plan of Management addresses:

- Formalising Memorial Park as Bankstown's regional cricket facility.
- Identifying Memorial Oval as the site for the establishment of a regional cricket academy
- Development of Bankstown Memorial Park and City Gardens as a district park that meets the active and passive recreational needs of the CBD Retention of Bankstown Memorial Park and City Garden's role as an iconic city-wide park for the residents of Bankstown.
- Continuation of Bankstown Memorial Park and City Gardens as the gateway to the City as identified in the CBD Masterplan.
